

Prayer letter and ministry report for May-July 2025

The Lord has abundantly blessed our GRO ministry these past few months !! He has opened a door for me to reach churches in Pakistan via live stream, WOW !!! Our ministry is now an International Mission Outreach. We are also seeing more people saved at our services, praise the Lord!! I was able to lead a young lady to the Lord at our GriefShare ministry at Bible Baptist Church in Bradenton, Florida and then two weeks later enjoyed seeing her get baptized, Alleluia. All I can say is from 1 Thessalonians 5:16 "Rejoice evermore."

In May: I preached all three services at Colony Baptist Church in Ellenton, Florida. I also preached two services at Cornerstone Baptist Church in Naples, Florida.

In June: I celebrated my 70th birthday on June 1st. I preached at Crossroads Baptist Church in Jacksonville, Florida. I also preached at Suncoast Baptist Church in Port Charlotte, Florida and I was blessed to preach at our church, Bible Baptist in Bradenton, Florida.

In July: I preached at Sonshine Baptist Church in Port Charlotte, Florida. I preached at Heritage Baptist Church in Chesterfield, Virginia. I am scheduled to preach at Thirtieth Ave Baptist Church in St. Pete, Florida. I will close out this month preaching at the New Testament Baptist Church in Titusville, Florida. Very busy and blessed month about the Father's business, AMEN !!!

Will you please prayerfully consider helping me to be a blessing to the churches that I am now ministering to in Pakistan? I'm praying that each of my supported churches can give an additional \$50 to help supply Bibles, coloring books, crayons, livestream equipment and sound equipment that Pastor Rizan Rahmat needs to setup at his outside church at the kiln brick location where the people there make a living making bricks. You can designate the offering as "GRO-Pakistan" in addition to your regular support. Thank you and God Bless.
